

Aromatherapy Workshop on White Day

白色情人節香薰工作坊

Aromatherapy therapist Chloe Chan has designed an aromatherapy workshop on White Day, in which our male Members will learn how to blend their own bottles of aromatherapy scents and our female Members will create perfect aroma as a special White Day gift to their loved one.

On 14 March, participants will enjoy the fun of exploring various natural aromas, as well as learn more about the essential oils, including their uses and benefits during the workshop. Also, they will learn how to blend natural perfumes. Aromatherapy essential oil* is pure natural plant oil without chemical fragrance and is 100% non-additive.

*Imported British brand Fleur & Oshadhi and other organic essential oils will be provided in the workshop.

在白色情人節當天，香薰治療師Chloe Chan精心設計這個工作坊，旨在讓男會員可調配專屬自己的天然香薰香水；或女會員親手為另一伴調配一枝香薰香水，作為情人節的回禮禮物。

於3月14日，參加者將在工作坊裡體驗各種天然香氣的樂趣，同時掌握更多香薰精油的知識及調製方法。香薰精油是純天然的植物精油，絕不含化學香精，百分百無添加。

* 工作坊只選用香薰精油為英國品牌Fleur & Oshadhi或其他有機植物油。
